### 5.1 Health & Safety

Safety is of paramount importance to Kabelo Entle. We take steps to avoid hazards and to create a safer and healthier work environment. Our fleet is regularly maintained to ensure safe travel to and from site.

All Health & Safety regulations are adhered to and a copy of the mandatory Safety book is available on request.

### 5.2 Teamwork

The expression "Teamwork Builds Quality" was coined in 2012 and signalled a new phase in the company's development. Kabelo Entle, as a collective, actively subscribe to participative management, personified by its concept.

We see everyone involved in the construction process as part of the team: Client, Architect, Engineer, Contractor, Sub-contractor, Financial Institutions & Local Authorities. Everyone of us fulfills a certain role and has responsibilities. Together we create something significant.
